There was a girl named Jillian. She was the happiest girl in the town. She used to live with her parents but now she lives with her aunt Meghan. She hates bullies, so one day she was on her way to school and she saw a little girl with white dress and dark brown hair, she was holding a broken doll with her and she was singing "shh!! little dolly... Everything will be alright shh!!" she was repeating this over and over again. Jillian wasn't scared but she asked her name, the girl stopped she threw her broken doll and looked at Jillian, she fainted... Jillian didn't know what to do, but little did she know that it was her friend, Mia. Jillian somehow managed to take the "girl" to the hospital, but the "girl" told the truth that she was her friend Mia, but Mia was not able to make her sad or scared. Many people try many ways to make her upset but they never accomplished, some people even bet about this fact.
